## Award of P2E Movie Producer

Mother Lode Job Training (MLJT) is a Workforce Innovation and Opportunity Act (WIOA) Title I-financially funded program and is an equal opportunity employer/program.

The purpose of MLJT is to increase the involvement of the business community, including small business, minority business enterprises, and labor organizations in employment and training activities under the Workforce Innovation and Opportunity Act (WIOA), and to increase employment opportunities for residents of the member counties.

The Corrections Workforce Partnership Agreement was created to strengthen linkages between the state workforce and corrections systems in order to improve the process by which the formerly incarcerated and justice-involved individuals reenter society and the labor force. In keeping with the premise that an unbroken continuum of services is a critical strategy for successfully connecting formerly incarcerated individuals to employment, the Mother Lode Job Training Agency (MLJT) sought proposals from qualified sources to serve as video producer for the Prison to Employment Initiative Video Production Project, commissioned to increase inmate awareness of workforce services available to them upon parole. Commissioned videos will be shown on each of the area prison television systems, on a regular basis, thereby reaching the full inmate population and providing a strong knowledge base regarding California's workforce system, its services, locations and benefits.

A Request for Proposal for the Video Production Project was posted to the agency's website on April 12, 2021 and closed on June 7, 2021. The RFP was responded to only by one bidder.

MLJT would like to acknowledge the P2E Movie Producer, as required by Uniform Guidance, to **Gary Bulkin, B&B Communications Twain Harte, CA.**
